Check List for Variable Speed Pump System

No.	Items To Be Checked (PLEASE NOTE: Smoothflow won't go to site if any following work has not finished)	Please Tick
1	Have you finished pressure testing for pipe works (<u>there is charge \$600 for second trip if commissioning is interrupted by leakages</u>).	
2	Do you have water available for testing? Without testing, commissioning can't be finished.	
3	Have you finished connecting pumpset to town mains or water tank?	
4	Have you finished connecting pumpset to your pipe works?	
5	Pump room lighting & Floor must be clean. Pump room ventilation should be done.	
6	You have to have drain in pumphouse.	
7	You MUST have one plumber available onsite while commissioning.	
8	Power supply & wiring to circuit break on pumpset. --- (Has your electrician finished wiring?)	

We have finished all **installations and wirings**.
 We understand that Smoothflow technician will inspect installations once arrived, and the technician WON'T start commissioning job if any installation works are NOT finished. We have employees on site while site-commissioning.
We understand and accept that Smoothflow would charge \$600 for second trip (each trip costs \$600).
